2. Letter of application

After reading the descriptions of these programs, please write a Letter of Application clearly answering the questions listed below. Clear handwritten responses are fine. Typed or word processed is better. This process should help both you and us decide whether this is an appropriate program for you. Keep in mind that acceptance is highly competitive, and this letter will be a significant portion of your application.

- a. Why are you interested in attending the programs you listed?
- b. Describe your interests and achievements in science, math and environmental in the past 2-3 years.
- c. What are the strengths, in terms of attitude and past experience or skills, which you would bring to the course?
- d. Briefly, describe your involvement in any extra curricular programs (e.g. sports teams, clubs, scouting, music/dance, etc.)
- e. Please add any other information/ comments that you care to share with us, so that we can see that you are ready for this experience.
